

Cut

Heavy Duty

Cost effective solution for heavy weight applications requiring high cut & puncture resistance, and good grip in dry or wet environments

- Made of a seamless liner, 3/4' dipped into natural rubber latex coating.
- ANSI cut level A4 and EN ISO 13997 rated level D provide a high level of cut resistance.
- Wrinkle latex coating provides very good grip in dry or wet environments.
- The right choice for heavy duty applications that require high puncture, grip and cut protection.

Industries

- Glass manufacturing
- Recycling and Waste Disposal
- Construction
- Metal fabrication

Applications

- Handling of glass sheets, sharp edged objects
- Handling of metal sheets, cutting of dry, painted or galvanised pieces
- Heavy duty handling: where sensitivity is also required

Key Features

- The seamless construction avoids irritation.
- Para-aramid yarn ensures high level of cut resistance and good level of heat contact performance.
- Wrinkle latex coating offers excellent grip performance.
- 3/4' dipped coating delivers a perfect balance of protection and comfort.
- In compliance with the standards EN420 (General requirements) and EN388 (Mechanical hazards).
- Elastic knitwrist ensures snug fit.

Performance Standards & Regulatory Compliance

REACH Compliant
